

The Film Corner Reloaded

European Film Gateway News Alert

The EU-funded 'The Film Corner. Online and Offline Activities for Film Literacy' project which was launched by the Fondazione Cineteca Italiana in 2016 to create an [online interactive platform](#) especially devised for young people and their teachers recently got renewed and will now focus on the enhancement of the FILM CORNER platform with new topics and an efficient tool to help teachers use film as a cross-cutting subject that can foster connections throughout the whole school curriculum. The platform will be created around a selection of EU and non-EU films and audiovisual, both industry and heritage films, for which rights will be cleared in cooperation with rightholders.

Test the FILM CORNER platform and find further information at <http://thefilmcorner.eu>

The Platform is currently available in English, French, Italian, Serbian, Slovenian, Georgian. The use of the Platform for schools is completely free of charge.
